12 Sept 2007

Police Minister
State Law Building
50 Ann Street
Brisbane QLD 4000

Dear Minister

Please find enclosed a copy of letter I have just posted to the Police Commissioner.

This will explain just how hard it is to resolve Traffic and Town Planning issues in Brisbane.

This letter has marked Private and Confidential in an effort that you or at least one of your senior advisors will at least read it and undertake remedial action/s.

Your thoughts and actions on this matter are requested.

Please acknowledge receipt by return post.

Regards

Barry Wilson
